### Airbus A380-800

#### Thai Airways

Scale 1:155

First of all, I wish you a good and happy new year, may this year 2017 will bring better life, goodness and peace. I start by releasing Airbus A380 with new livery, which is Thai Airways to add to the A380 Paper Replika collection. I go back to the original scale, the scale that the A380 papercraft was first released which is 1:155 scale, because it's easier to build in bigger size. The wingspan will be 50 cm in length. Thai Airways has 6 A380-800 planes in the fleet and was first operational in summer 2012.
